It was a great learning experience.

Great, just perfect, very much appreciated!

The jumpstart experience is one to remember and pass along.

Jump Start was a great opportunity & experience. Thanks to everyone.

It was a great experience, and I won't forget it.

I really had a good time and the program just let me make my first step to my goals. It's a real good program and I would highly recommend it to students.

Made me feel comfortable & ready for classes. He was very helpful & took care of us & checked to see where we were at all times.

Thank you for all your time and hard work to give us this program.

I feel the week is a little too long. May (sic) it could be shortened during the day a little? Maybe ending at 1 or 2 a couple of days of the week. As a single parent it was a little overwhelming.
